THE JOY OF CHILDHOOD

Any Child – even the Baby – knows when PEARS' *is used in the bath; that's why "he wont be happy 'till he gets it."*

THE PRIDE OF YOUTH

PEARS' SOAP *is the pride of youth because it gives that incomparably thorough cleansing and purifying of the skin which has made the* PEARS' COMPLEXION *so famous.*

THE COMFORT OF OLD AGE

A PEARS' SOAP COMPLEXION *is a defence against the ravages of time. Many a grandmother who has used* PEARS' *since childhood, is carrying her velvety skin and girlhood complexion into old age.*

New England Magazine

FOR APRIL

The NEW ENGLAND MAGAZINE for April will be, in many ways, an unusual number. The leading feature will be a splendidly illustrated article on DARTMOUTH COLLEGE, dealing with the growth and development of the institution from its founding down to the present time. It is written by Mary R. P. Hatch, and is something that all graduates and friends of this popular college, which has educated so many famous Americans—including Daniel Webster—will be eager to read, and glad to preserve.

Another notable feature will be the story of the NATIONAL PEACE JUBILEE, held in Boston in 1869. It is written by Mrs. Sarah B. Lawrence, being her personal recollections of the great musical festival—perhaps the greatest the world ever saw—with brief sketches of the noted men and women who figured in its inception, development and success. The article will be enriched by some rare photographs, including those of *Madame Parepa Rosa, Adelaide Phillips,* the late *Eben D. Jordan, Ole Bull, P. S. Gilmore, Carl Zerrahn, Ex-Governor Boutwell, Lowell Mason, Edward Everett Hale, Mrs. Harrison Grey Otis* and *Julia Houston West.*

The "town article" for the month will be devoted to HAVERHILL, that thriving city on the Merrimack, with its interesting historical associations, and its present-day prosperity. It is beautifully written and illustrated, and it is safe to say that few American cities can boast of a more absorbing story than HAVERHILL.

Everybody will wish to read, in this number, THE LOVE STORY OF WHITTIER'S LIFE, being PERSONAL REMINISCENCES OF THE POET'S SWEETHEART, EVELINA BRAY, by Mary Minerva Barrows.

The splendid new RAY MEMORIAL LIBRARY at FRANKLIN, MASSACHUSETTS, with its superb mural decorations, will form the subject of an article by Margaret Storrs Turner. This also will be illustrated.

Still another illustrated feature, very appropriate to the Easter season, will treat of BERMUDA LILIES and their cultivation.

In order that you may be sure of obtaining a copy of this valuable number of the NEW ENGLAND MAGAZINE, ORDER NOW.

I Cure Cancers and Tumors

NO CUTTING **By Absorption** **NO PAIN**

When I say I can cure Cancers and Tumors I speak direct to the most incredulous—those who are suffering and getting no help and no hopeful encouragement from family physicians.

TWENTY YEARS OF SUCCESS. I have demonstrated that Cancers and Tumors are not local sores, but are the accumulations of poison that circulates in the blood throughout the entire system. I treat the cause, and by curing it eliminate the effect. When the blood is purified the symptoms will disappear. Surgery only treats the sore or local symptoms and the poison will again accumulate at or near the same place as before.

I HAVE CURED HUNDREDS. I will supply testimonials from hundreds of my patients, some of whom were cured many years ago—cured to stay cured. You can write to them and visit them for convincing proof that your case or that of your friend is also curable. But think quickly and act immediately, for the disease is insidious, and every day's delay gives the poison a stronger hold upon the system and makes the cure harder to effect.
